Okay.....

I would like to do this just once without having to correct myself. Have I not been humbled enough!!!

I have listed Carolyn's stumpwork class on a day that is already teaching a pilot class.

Can't she do both.....

I am sorry for the mix up, and I have listed the correct date and time below.

## **Pansy Garden Stumpwork**

Taught by: Carolyn Webb

Dates: ~~Saturdays March 3 and 17~~ Saturdays March 17 and 24

Time: 10:30—12:30

Class fee: \$20.00 Supply fee: \$20.00

You will learn to create a pansy that is so wonderful it springs to life in three dimension! Come and learn how to create the wire edged petals and leaves. Shades of purple and yellow are featured in this jewel enhanced flower. This project just shouts spring! You can either frame your piece or finish it in a beautiful burl wood box, like our display.

This pattern features blanket stitches, soft shading in the flower and leaves, and uses counted thread stitches for the background.
