## Thread Organizer

Have you worked on a project that had you threading your needle more than stitching. Sometimes it seems that every two stitches require a floss change.

This organizer fixes that problem.

You will use the blank color code card to list the symbols in your project. Then you will hook the appropriate color of floss over the prong. Tuck the floss into the foam slot and you will be able to easily remove just the number of strands that you want. You can then thread a needle and insert it into the foam section by the corresponding color and each time that symbol is listed, just pick up your threaded needle. Yes, you will need to have many needles threaded at the same time, but then the time you will save is huge.

Holds 50 colors of floss and includes 10 blank color code cards.

Additional cards can be purchased separately.

Regular retail price \$33.00

Our sale price \$16.50

Kelmscott  
Has an offering  
of  
130 - 8 mm  
mother of  
pearl buttons

only \$6.00

They are tiny and would be perfect to crochet a beautiful little edge on a needle cushion or adorn a needle-work.

To make the perfect picot every time.

A Picot Gauge \$4.99
